The Little Rascals

Greetings from Infant B Beautiful Babies. We're so excited the holiday season has finally arrived. Ms Janice is thankful for her babies! Presley is the music teacher. She teaches the class all voice ranges. Avery is my song bird; she sings sweet music all day long. Jessica is the newest angel on the block and very sweet as all the rest. Ms. d'Gail is thankful for her babies. Elizabeth who climbs in the swings and bouncy seats to insure they work proper, also she has written and composed a song called the "O" song. Will is

the traffic guard; his post is the changing table. There would be many traffic jams if he wasn't on the job. Lori is always ready to teach. Her prices are reasonable.

As you can see we have so much to be thankful for.

Please join us November the 18th for Thanksgiving Lunch. We hope to see everyone. Have a great month and a Happy Thanksgiving. Mrs. Janice and Mrs. d'Gail

Jamin Babies

Greetings from the Jamin Babies:

We have a new class almost. We have had several to promote, Grant, Adam, and Anthony have left us. Luke, Kendal, and Elliot have come in their place. They have continued the dancing of which we are so famous for, just pop in some time and observe. There's not a single still person.

We have also celebrated several birthdays; Casey, Evan and Anthony had one big party. Ali celebrated her party a little later and Jase had his party afterwards, and there's more to come.

Parents please make sure you have seasonal outfits (and extras) in your child's cubby or bag to cover any unexpected accidents. Please remember to label everything with your child's name.

Thank you goes out to Jack who gave us new cabinet locks to keep busy hands out. Thanks to all you parents that have been so kind and supportive.

Until next time, we'll see you

Mrs. Freda. Ms. Nedra and Mrs. Yvonne

News from the Hoppers

October seemed to speed by! We are fortunate to have such wonderful weather (except for last week). Guess we are about to see all of that change soon!

We would like to extend a big thanks to all of you who brought in items for the classroom. We certainly appreciate it. The children enjoy all of the extras that you provide.

As we begin the month of November, we are looking forward to some great topics to study. We will be studying about **Food and Nutrition, Hibernation and Migration, and the first Thanksgiving.**

This month we will put a lot of emphasis on the food groups, nutrition and the parts of different plants that we eat. We will need some help with various foods for our tasting and exploration experience.

In the dramatic play area, we will be constructing a Native American village with a full size teepee to correspond with the Pilgrims story. We will learn about Native American customs and practices such as grinding corn, making clothes from leather, and weaving. We will study the different

types of dwellings the various tribes used across the United States. We will be doing leather tooling, sand painting, and making "bear skin rugs". If you have anything to enhance our study it will be greatly appreciated. We will take good care of any items that are brought in.

We will be doing patterning in Math.

Our artist for the month will be Frank McCarthy and Bev Doolittle. The children's authors will be William Steig and Tommie DePaola
