28 th =	Board Meeting

Thank You!

I would like to extend a big thank you to all of the parents who participated in the workday and teacher appreciation week. We completed all of our projects on our Saturday workday in record time thanks to all those who came and pitched in. We all really appreciated the support shown to us during teacher appreciation week. All of the goodies were delicious and the lunch was so enjoyable and relaxing. We have a great center because of our great parents! Thank you!

Hello From Infant A

If the lion comes in this first week of March, he'll meet our newest little lamb, Luke. We had to say good-bye to Faith. She left us for the Creeper room. That has left Tyler to explore the room by himself. Grant and Adam sit up to watch him go, but not for very long by themselves. Jase and Kendal had their first buggy rides. Hopefully the weather will bring more buggy rides this month. Please don't forget hats and jackets in the cubbies. Even if March doesn't come in like a lion or out like a lamb, we'll make sure we include their animal sounds when we do our songs and picture stories. See you in green March 12th!

Ms. Lisa and Ms. Donna

The Little Rascals

Greetings from Infant B's Beautiful Babies. We have so many thanks to give out this month. First we would like to thank everyone for expressions of sympathy in the death of our loved ones. Thanks for all the new toys that have been donated. The children are enjoying them. Also thank you to all the parents who made workday a great success, the room looks great. Big thanks for Teacher Appreciation all the time. For preparation, gifts and pictures it was great. Now that we have all those thank yous, have a great month.

Mrs. Janice and Mrs. d'Gail

Jamin Babies

We welcome Faith, Hannah, and James to the creeper room.

Kai, Dev and Emilee are walking and talking now. Way to go guys!

Peyton moved to the Toddler Room; we will miss her. T. J. laughs at everything.

T. J. and Kai let us know when they are hungry.

We will be going outside more and are looking forward to spring.

Mrs. Freda, Ms. Nedra and Ms. Yvonne

Hello from the Busy Bees (Toddler A)

Welcome to springtime in the beehive!

In March we'll be learning about rainbows, the color green and all things in spring. We're looking forward to playing outside more.

A big thank you goes out to our parents who helped clean up and fix up our classroom on workday.

Thanks also go out to you who made Teacher Appreciation week possible. We loved all the goodies! Thanks again.

Have a safe March.

Ms. Sybil and Ms. Wendy

Tumbling Turtles (Toddler B)

A healthy hello from the Tumbling Turtles.

We say good bye to February and hello March. Those months seem to fly by.

We said good bye to Miss Ellie who has moved up to the two's class and welcome to Miss Peyton. We'll miss Ellie dearly. Also this month Tyler Weldy will be turning the big "2". Our turtles are growing so fast.

This month we'll enjoy a lot of fun activities including learning the color green. St

Patrick's Day Shamrocks, rainbows and also beginning to talk about spring, yeah! Hopefully the weather will start staying nice so that we can have fun outside. To add to this month's

newsletter we would like to thank all the parents for the wonderful snacks and the treats during Staff appreciation week.

Now it is time to say good bye for this month. But remember tumbling today is the way the turtles begin to play.

Have a great month.

Ms. Gail and Ms. Cathy

Mischievous Monkey's

We would like to thank all of our parents for the wonderful artwork and goodies that we received during Teacher Appreciation week.

Also thank you very much to the parents and grandparents who stayed during nap so we could go to lunch.

Welcome Ellie to our class! She has been in our class for about 2 weeks now and is doing well.

During the next month we will be learning about apples, nursery rhymes, story time fun and babies. We will even get to wear our pajamas for a P.J. party. It should be a blast.

Sandra and Melody

Hello from the Roaring Rockets (2B)

A big hello from the Roaring Rockets!

February has come and gone. We hope March will blow warm weather into our area. We are looking forward to the warm weather so we can spend more time out side.

We will be going through cubbies and taking out the winter things soon. Please be sure your child has clothing appropriate for the season. A light weight jacket or sweater may be needed.

Thank you all for all you do for us. We would like to especially thank those who came and help to make work day a success. Thanks also for Teacher Appreciation Week. The food was great!

We get a lot of feedback from your children, but it's always nice to hear it from the

parents. We really enjoyed our lunch and will enjoy spending the gift certificate.

Thanks for all you do!

Mrs. Ann and Mrs. Donna

Discoverers

Welcome Matthew! We are excited to have Matthew and his family joining our Discovery zone!

We are all so excited because spring is right around the corner!

In February we had fun learning about Nursery Rhymes, friendship, dental health, and our five senses. March will provide us with many learning opportunities as we learn about pets, spring, rain and rainbows and clothing. We will also be holding a fashion show on March the 26th. We will be planning a field trip to The Aquarium Shop. We will keep you informed of the date time, and cost. Please make sure your child has at least two changes of weather appropriate clothes in a bag under his/her cubby. It doesn't hurt to leave extra shoes and socks too! Please remember to leave all toys at HOME. When toys get lost or broken we have hurt feelings and tears.

We thank our parents for all you do for us!

Have a magnificent March!

Mrs. Kelli and Mrs. Gouri

Teddy Bear News

We can hardly believe that March is already here! We will kick off the month with a week long unit of Dr. Seuss and celebrate his birthday on March 2. We will also be learning about good nutrition, music in our school, numbers, shamrocks, the color green, rainbows and the change of season. We're expecting to get out more often, so please make sure that your child has a light weight jacket here at school. Also please remember to try and keep a full set of extra clothes here, you never know when they'll need them! A big thank you to all of the parents for putting together our Teacher Appreciation

week. It meant a lot to us, and we are grateful everyday to get the opportunity to learn and grow with your children.

Happy March!

Ms. Sharron and Mrs. Whitney

News from the Hoppers

Dear Parents,

As March blows in, we begin to think of the joy of warmer weather, breezy days and more sunshine. We are looking forward to all of these changes.

Our units of study this month will be weather, rainforest and Solar System.

In the dramatic play area we will continue with the hospital. Then have a Space Center and possibly beauty shop.

The children's authors for this month are Bernard Waber and Don and Audrey Wood.

The artist for the month will be Claude Monet.

We have completed all 26 letters of the alphabet and will now go back and review them. In math we will be doing some measuring.

The birthdays for this month are Page (March 10), Connor (March 7), and Mrs. Jennifer (March 28).

Thank you for the goodies and gifts for Staff Appreciation Week. You are so thoughtful.

We love teaching your children. They are all so sweet and special.

Mrs. Jennifer and Mrs. Betty
