MCDC Shutdown/Furlough Policy

Welcome

3-Month Look Ahead

Board of Directors

Management Team

Q&A

- MCDC is not subject to immediate closure but will periodically reassess and communicate the operational posture based on the duration of the shutdown.
- In the event of a U.S. Government shutdown affecting the MSFC workforce, the MCDC leadership team may pause tuition payments on a case-by-case basis in four-week (4-week) increments with MCDC members:
 - ▲ As evidenced by an official furlough letter (or contractor equivalent)
 - ▲ As documented in a signed agreement between MCDC leadership and member(s)
 - ▲ As informed by the constraints of available budgetary reserves identified by the Treasurer every four (4) weeks
- The terms of the signed agreement shall be bounded by the following limitations: Upon the re-opening of the U.S. Government, MCDC member families with one (1) or more parents (or legal guardians) covered by the Government Employee Fair Treatment Act of 2019 shall repay tuition in full within seven (7) calendar days of back pay dispersal. Otherwise, tuition shall be repaid in full within a multiplier of three (3) calendar days for every day of the shutdown's duration. For example, a U.S. Government shutdown lasting thirty (30) calendar days would give these members up to ninety (90) calendar days after the re-opening of the U.S. Government to repay tuition in full.
